

# Coalition for Refugees from Burma

## *Needs Your Support!*

CRB's goal is to promote the self-sufficiency of all resettled refugees in the Seattle-area by helping them access services and educational opportunities.

On Martin Luther King Jr. Day of Service, CRB will be hosting an event to put together **Welcome Packages** for newly arrived refugee students! The **Welcome Packages** will contain a variety of supplies that the students will need to be prepared for school!

CRB is in need of **supplies** for the Welcome Packages, and we hope you will consider donating any of the listed items to support the academic growth of refugee youth!
